

Application to Graduate with a Minor in Healthy Futures
Effective November 2022

Complete this form and email it to hf-minor@cornell.edu along with an unofficial transcript. The form should be submitted in the last semester of your senior year by the deadline specified for your graduation month - October 1 for May Graduates or September 1 for December Graduates.

After verification that all requirements for the minor are completed, the student's college registrar will be notified and the final transcript will indicate that a Minor in Healthy Futures has been earned. No other forms will be approved.

Expected Graduation Year:

Healthy Futures Minor Coursework Note: Check the courses you have taken on the table of page 2.

Table with 4 columns: HHD courses taken, Semester, # Credits, Grade

Total number of qualifying credits:

General Requirements: Effective December, 2022

- Students should submit the Intention to Minor in HHD form prior to the end of their junior year.
The minor will consist of 17 total credits.
Courses must be completed as letter grade with a grade of B- or better.
No substitutions will be made for the required core courses.
At least 3 credit-hours of electives should be from outside student's major
HADM 3055 Health, Hospitality, and Design Industry Immersion Seminar (1 credit)
DEA 4020 Supervised Fieldwork (industry internship - 1 credit), submit your form to request enrollment here
1 required course from the approved list in each discipline: DEA, SHA & PAM (3 courses, total 9 credits)
2 electives from the approved list, where at least 1 is from outside the major (6 credits)

NOTES:

At least 3 credit-hours of electives should be from outside student's major.
Consistent with SHA's policies, only one course (max of 3 credits) from completing this minor can be applied to SHA specializations or Minors
