General Requirements: Effective SPR 2024

- ✓ To be considered for the Minor in D+EA, students must not be a DEA major.
- ✓ Students should submit the Intention to Minor in D+EA form after successfully completing the core course requirement in D+EA.
- ✓ The minor will consist of at least 15 credits total. Students must complete three DEA core courses and two more upper level courses from the Thematic course list.
- ✓ Student must complete DEA core courses prior to enrollment in upper level courses
- ✓ Courses must be completed as letter grade with a grade of B- or better.
- ✓ Courses offered only as S/U are accepted but must not exceed a total of 3 credits toward the credit requirement for the minor.
- ✓ Special study courses (DEA 4000, 4010, 4020, 4030) cannot be used toward the minor.
- ✓ No substitutions will be made for the required core courses.
- ✓ During the semester in which the student plans to graduate, s/he **MUST** submit a completed copy of the D+EA Application to Graduate with a Minor in D+EA form to DEA's Academic Programs Coordinator at deaundergrad@cornell.edu. The current version of requirements will be used to evaluate the completion of the Minor. If the Intention to Minor form has been submitted, the student has the option to make a request to use the earlier version of requirements in-effect at the time the Intention form was submitted to D+EA.
- ✓ After verification by D+EA that all requirements for the minor were completed, the student's college registrar will be notified and the final transcript will indicate that a Minor in D+EA was earned. **No other forms will be approved.**
