Career Exploration Center
162 MVR Hall
www.human.cornell.edu

Mission
The Career Exploration Center (CEC) is an educational and resource facility that supports student learning in the areas of self-knowledge, career exploration, and job search skills. The Center offers broad resources, peer education, and professional guidance.

Services
- Trained staff to conduct resume and cover letter critiques
- Assistance with online resources including Cornell Handshake
- Tips on exploring careers specifically for Human Ecology students
- Mock interviews with trained staff members who can prepare you for real-world situations
- Appointments are available with professional counselors in 172 MVR. Call 607-255-2532.

Resources
- Information about the Urban Semester Program,
Study Abroad, Capital Semester, and other opportunities
- An extensive career library
- Careercenter, College Newsletter
(http://careercenter.cornell.edu/public/careercenter/index.cfm)
- Internship and Externship information
- Pre Med and Pre Law information
