

Undergraduate Honors Program

Department of Design and Environmental Analysis (DEA)
College of Human Ecology

Application

The DEA Honors Program is for DEA undergraduate students who wish to prepare themselves for future graduate work, and who agree to undertake a specialized independent research investigation under the supervision of a Committee Chairperson, a member of the DEA faculty.

IMPORTANT: Submission of this Application should occur during the first semester of your Junior year. Registration for DEA 4990 must take place no later than the Fall (or first) semester of your Senior year.

Date _____ Name _____

Local Address _____
