Women in Academe, and the Men Who Derailed Them

By Wendy M. Williams

THE CHRONICLE OF HIGHER EDUCATION

JULY 20, 2001

Women in academe, graduate students who are at

Having to remove their PhDs, and very few for

Women in academe, graduate students who are at

H ow can we assure capable graduate stu
dents stay on the path they have chosen?

...I am convinced that we can do all these things, and we must do them.
