Design and  
Environmental Analysis 
Option I: Interior Design

The requirements listed below pertain to all students matriculating in August 2008 and January 2009.

I. Distribution Requirements 37–39

A. Natural Sciences 6-8
Take two from the following and all sciences MUST have a LAB component:

BIO G 1101-1103* or BIO G 1105 or BIO G 1110
CHEM 1560 or CHEM 2070
BIO G 1102-1104* or BIO G 1106 or BIO G 1109
CHEM 2080
PHYS 1101 or PHYS 2207 or PHYS 1112
CHEM 2150
PHYS 1102 or PHYS 2208 or PHYS 2213
CHEM 2160

*The combinations BIO G 1101-1103 and BIO G 1102-1104 each count as a single course.

B. Social Sciences 6
Choose one of the following courses:
HD 1150 Human Development
PSYCH 1101 Introduction to Psychology
Choose one of the following courses:
ECON 1110 Introduction to Microeconomics
ECON 1120 Introduction to Macroeconomics

C. Humanities 3
Language credit may not be used in this area. (See: I.F.)
Includes literature, history (including art and design history), philosophy, religion, and archaeology. Critical, historical, and theoretical studies of the arts and design are considered humanities. Languages and creative or performing arts such as the writing of fiction or poetry, painting, sculpting, designing, composing or performing music, acting, directing, and dance are not considered humanities.

D. Written Communications 6
Must be First-Year Writing Seminars.
MUST BE COMPLETED DURING FIRST 2 SEMESTERS

E. Quantitative and Analytical 4
Statistics (must be taken at Cornell, AP Statistics is not accepted)
PAM 2100 Introduction to Statistics OR
AEM 2100 Introductory Statistics OR
ILRST 2100 Introductory Statistics OR
ILRST 2120 Statistical Reasoning

F. Additional credits 12
DEA 4220 Ecological Literacy and Sustainable Design (3)
Courses from any natural science, social science, humanities, language, or mathematics courses can be counted here for remaining 9 credits.

II. Requirements in the Major 65

A. Must take the following:
DEA 1101 Interior Design Studio I
DEA 1102 Interior Design Studio II
DEA 1110 Making a Difference: By Design
DEA 1150 Design Graphics and Visualization
DEA 1500 Introduction to Human-Environment Relations
DEA 2201 Interior Design Studio III
DEA 2202 Interior Design Studio IV
DEA 2030 Digital Communications
DEA 2040 Introduction to Building Technology
DEA 2150 Digital Graphics
DEA 2410 Introduction to Computer Aided Design
DEA 2420 Advanced Computer Aided Design
DEA 2510 History and Theory of the Interior
DEA 3301 Interior Design Studio V
DEA 3302 Interior Design Studio VI
DEA 3030 Interior Materials & Sustainable Elements
DEA 3040 Professional Practice: Interior Design
DEA 3050 Construction Documents and Detailing
DEA 3500 Human Factors: Ambient Environment
DEA 4401 Interior Design Studio VII
DEA 4402 Interior Design Studio VIII
DEA 4590 Programming Methods in Design
III. Electives

Recommended Courses:
AEM 1200, 1210, 2200, 3340
ARCH 2602, 3113, 3808, 3811, 3812
ART H 2600, 3100, 3510, 3855
BEE 1030
COMM 1300, 2010, 2630, 2840, 3010, 3450, 4210
CRP 5600, 5610, 5620
DEA 2500, 3250, 3540, 4100, 4150, 4230, 4300, 4510, 4530, 4540, 4600,
4720, 6480, 6680
D SOC 3240
ENGRG 2980
HADM 2255, 3351
HE 3010
LA 2150
PHIL 2490
PSYCH 3050, 3420
THETR 3620
VISST 2000, 2020

IV. Physical Education

Physical education does not count toward college and university minimum credit
requirements for full-time status.

Total Credits (exclusive of PE) 120

Variable Credit

College Requirements:

- Students must complete a minimum of 9 HUMEC credits outside of
  DEA. These credits are given for any Human Ecology course outside
  your major from Category I, II, or III. These can be taken S/U only if
  course is NOT used to fulfill a curriculum requirement.

- Students must complete a minimum of 43 HUMEC credits. Hum Ec
  credits are given in Category I (distribution), Category II (in your major) and
  Category III (electives).

- Pass/Fail Courses [S/U]
  - S/U grading option may NOT be used for any required course [i.e.,
    distribution requirements in Category I or major courses in Category II]
    unless it is the only grade option offered for those courses.
  - S/Us MAY be used for the 9 credits of Human Ecology coursework
    outside of the major and for electives in Category III.
  - Students may apply no more than 12 credits of S/U towards graduation
    requirements. If a required course is only offered S/U, it will not count
    towards this limit. Students may take more S/Us if they choose, but the
    additional credit will not be applied towards graduation.
  - The deadline for changing grade options is 3 weeks after the start
    of classes, the same as the “add” deadline.

- Special Study Courses [4000, 4010, 4020, 4030]
  - A total of 12 credits of special study course work from Human Ecology
    or other colleges will count towards the 120 graduation credit
    requirement. [Additional credits can be taken but will not be applied.]
  - A maximum of three credits of 4000-4020 (not including 4030) may
    count towards the “credit outside the major” category as long as the
    special study is in a department outside the student’s major.
  - Students cannot TA (4030) the same course for credit more than once
    or take and TA the same course simultaneously. 4030 does not fulfill
    any requirements towards the major. Registration for 4030 may not
    exceed 5 credit hours per semester.

- Students must complete 120 credits overall, exclusive of physical education
  and “00” courses.

- Elective credits can be earned in Human Ecology or elsewhere.
