FEBRUARY 5
The Business and Reimbursement of Biotechnology
Duke Collier • President, The Braxton Company
Maren Anderson • President, MDA Consulting
Duke Collier and Maren Anderson will present an overview of the product development process in the biotechnology field and also discuss the specifics of pricing and reimbursement. Both Duke and Maren have had successful careers in biotech, pharmacy, diagnostics and medical devices.

FEBRUARY 19
Developing Your Leadership Style and Managing Difficult Conversations
Nate Shinagawa ’09 • Vice President, Hospital Operations, Guthrie
Sloan alumnus Nate Shinagawa will be joining us for a talk surrounding the tools and techniques for developing your leadership style and skills for difficult conversations. This is the same training that Nate conducts with those rising in leadership in his organization.

MARCH 4
Medical Malpractice, System Failures and Legal Resolution
Rory Jurman ’91 • Equity Partner-Attorney, Fowler White Burnett PA
Rory is an Equity Partner-Attorney with the Fowler White Burnett law firm. With a background providing strategic counsel to Fortune 500 companies, he will be discussing medical malpractice issues resulting from system failures.

MARCH 11
Identifying Costs in a Hospital
Vivian S. Lee • Senior Vice President for Health Sciences, Dean of the University’s School of Medicine, and CEO of University of Utah Health Care
A long-time champion of health care transparency, Dr. Lee will discuss the challenges and opportunities for hospital cost identification and control. This a webcast session.

MARCH 18
Healthcare Supply Chain
Lee Perlman ’83 • President, GNHYA Ventures, Inc. and CFO & EVP, GNHYA
Lee Perlman has been the driving force behind GNYHA Ventures, the for-profit business division of the Greater New York Hospital Association. He will be discussing the healthcare supply chain, as seen through his experience as the leader of an organization serving 40,000 customers and $10 billion of commerce via group purchasing, outsourcing and consulting.
