ACCOMMODATIONS

IÉSEG provides different housing options: student and private residences, as well as private housing (private landlords) and apartment sharing. Students can choose out of those options, and give their 3 choices to our housing contact by email. Students can choose out of those options, and apply directly on the housing platform. Housing application details will be sent to the student with their acceptance letter. It is on a first-come, first-served basis. It will be more difficult to find housing on arrival, so we greatly advise students to register for housing as soon as we contact them.
