Admission Requirements

1. Students complete the Intention to Minor in Fashion Study form to be given preference for admission to Fashion Study courses that are oversubscribed. Forms are available from the Undergraduate Coordinator in T57 HEB.

2. Submit the form any time after you have completed at least one of the courses required for the minor. Keep a copy of the form for reference. Note that to receive any consideration or priority in Fashion Study course enrollment, a form must have been submitted prior to the semester in which enrollment is desired. Formally declaring intent to minor in Fashion Study does not guarantee that a student will be able to take a given Fashion Study course in a given semester.

3. Plan a course of study to complete minor requirements. Keeping track of courses required and completed toward the minor is the student’s responsibility; students will not be assigned a Fashion Design advisor. Only Fashion Study courses may be used to satisfy the requirement of the minor.

4. Students must earn a grade of B- or better in the first two courses (in 1000 – 2000 levels) required by the minor.

5. During the semester in which you are planning to graduate, submit a copy of the Application to Graduate with a Minor in Fashion Study form, and an unofficial copy of your transcript by March 15th to room T57 HEB. After it has been verified that you have completed all of the requirements for the minor, your college registrar will be notified, and your final transcript will indicate that you are earned a minor in Fashion Study.

Questions should be addressed to Tim Snyder, undergraduate coordinator, or Huiju Park, Director of Undergraduate Studies.
