### Education

1974-1976 Postdoctoral Study in Linguistics and Philosophy of Language  
Massachusetts Institute of Technology  
Cambridge, Massachusetts

1970-1975 Ph.D. Developmental Psychology  
City University of New York. Graduate Center

1971 M.A. English Literature  
Fordham University. Bronx, New York

1968-1969 Study in Developmental Psychology  
L'Institut des Sciences de l'Education  
University of Geneva, Switzerland

1965-1966 Study in Psychology  
The New School for Social Research  
New York, New York

1965 Study in Developmental Psychology  
Fairleigh Dickinson. Rutherford, New Jersey

1959-1963 B.A. English Literature  
Manhattanville College. Purchase, New York

## Professional Experience

September 1 2017- current	Visiting Scholar MIT
July 1 2017 - current	Professor Emerita Cornell University; Graduate Research Professor
Fall 2015	Visiting Scholar MIT
1990-2017	Professor, Cornell University; Human Development. Fields of Linguistics, Psychology, Cognitive Science and Asian Studies. .Joint appointment with Department of Modern Languages and Linguistics, 1990-1995; Department of Modern Languages, 1996-1999
Spring 2010	Visiting Scientist MIT
July 6-27, 2007	Stanford Univesity; (co-organized with S. Flynn; taught with M. Blume, C. Foley, Y-C Chien, K. Drozd, C. Dye) Course taught at Linguistic Society of America Summer Institute, Stanford University, Stanford, California. "Language Acquisition Methodologies and Practices: How they Alter the Pursuit of the Scientific Study of Language"
Spring 2004	Visiting Fellow, Cambridge University, UK
1992-1999	Co-director, Cognitive Studies/Science Program, Cornell University
1996-1997	Visiting Scientist, Massachusetts Institute of Technology
1990 (Spring)	Visiting Scientist, MIT
1987-1996	Graduate Field Representative, Cognitive Studies Program, Cornell University
1981-1990	Associate Professor, Cornell University, Department of Human Development and Family Studies
1984 (Spring)	Visiting Scholar. United States Educational Foundation, and Kelaniya University, Sri Lanka (Sabbatic)
1984 (Fall)	Visiting Scientist, Department of Linguistics and Philosophy, Massachusetts Institute of Technology (Sabbatic)
1976-1981	Assistant Professor, Cornell University Department of Human Development and Family Studies, and Cognitive Development
1977 (Spring)	Part-time Visiting Assistant Professor. SUNY, Binghamton, N.Y. Department of Philosophy. The Interdisciplinary Ph.D. Program in-the History and Philosophy of Social Sciences. Cognitive Development
1974-1976	Visiting Scientist. Massachusetts Institute of Technology (Department of Linguistics and Philosophy) (Post Doctoral Fellow)

### Academic Honors and Awards

- 2015-2017 National Science Foundation. Development of Linguistic Linked Open Data (LLOD) Resources for Data-Intensive Research in the Language Sciences Workshop presented at University of Chicago, Linguistic Society of America Summer Institute.(July 2015).
- 2017-2018 National Science Foundation. Development of Linguistic Linked Open Data (LLOD) Resources for Data-Intensive Research in the Language Sciences Workshop presented at University of Chicago, Linguistic Society of America Summer Institute. Supplement for Publication of Linked Open Data in Linguistics Monograph, MIT Press
- 2013-2016 Federal Formula Funds/Hatch. Contrasting Language in Early Alzheimer's Disease and in Healthy Elderly: Augmenting Data and Consolidating Results.(2013-14-292)
- 2010-2013 American Institute for Sri Lankan Studies. Gift for Digitization of Sinhala Child Language Data from Sri Lanka Supplement.
- 2009-2010 American Institute for Sri Lankan Studies. Gift for Digitization of Sinhala Child Language Data from Sri Lanka Supplement.
- 2008-2010 American Institute for Sri Lankan Studies. Gift for Digitization of Sinhala Child Language Data from Sri Lanka.
- 2008-2014 National Science Foundation Award: Transforming the Primary Research Process Through Cybertool Dissemination: An Implementation of a Virtual Center for the Study of Language Acquisition (with Maria Blume)
- 2010-2013 Federal Formula Funds /Hatch. Contrasting language in early Alzheimer's Disease and in Healthy Elderly: Analyses and Reports. (co PI with S.Flynn/MIT and J.C.Sherman/MGH Boston)(NYC 321420)
- 2004-2007 National Science Foundation Award: Planning Information Infrastructure Through a New Library-Research Partnership. (SGER) (With Janet McCue, Director, Mann Library)(Supplement 2005-2007)
- 2001--2006 National Science Foundation Award: Planning Grant Proposal: A Virtual Center for Child Language Acquisition Research. Development and Learning Sciences.
- 2004 Cambridge University Visiting Fellowship, Cambridge, England
- 1997-99 National Science Foundation Award. Undergraduate Faculty Enhancement (with Richard Larson). "Linguistics and the Language Sciences: New Computer Based Methods and Materials for Undergraduate Education." Workshop held at LSA Institute, June 1997.
- 1996-97 National Science Foundation Award. Visiting Professorship for Women. "Triangulating the Language Faculty." MIT.

- 1997 National Science Foundation Research Experience for Undergraduates (REU) Supplement Award.
- 1994-1999 NSF Computational Aspects of Cognitive Science. Focus Area: Human Computation. "Training Grant" ('94-'98). Co-PI (with Claire Cardie, Computer Science and Cognitive Studies).
- 1996 National Science Foundation Award. "Morphosyntactic Interaction in First Language Acquisition of Inuktitut." Doctoral Dissertation Research, Cornell University, David Parkinson.
- 1995 NSF Award (with James Gair). "US-India Workshop: Anaphora in South Asian Languages." Delhi, India. (1/96)
- 1995-1999 NSF (REU) Instrumentation and Lab Improvement Award: "Interdisciplinary Approaches to the Scientific Study of Language Knowledge and Acquisition: Cornell University Cognitive Studies" (with Jongman & Lantolf).
- 1993-1994 Chair, Section Z (Linguistics and the Language Sciences). American Association for Advancement of Science (AAAS).
- 1992-1993 NSF grant (with Frank Keil, Department of Psychology) for Cornell Symposium, April 1992. "Linguistic Theory and First Language Acquisition."
- 1993 NSF Grant (with Frank Keil, Department of Psychology) for publication of April 1992 Symposium Proceedings.
- 1993 Fellow of the American Association for the Advancement of Science
- 1990 James McKeen Cattell Award
- 1989-1991 Indo-American Fellowship Program (NSF) Research in India.
- 1990 NIH Research Fellowship. (Sponsor for graduate student, Julie Eisele)
- 1988-1989 National Science Foundation Dissertation Research Award: Developmental Study of Cross-Language (English-Japanese) Processing. (for Reiko Mazuka)
- 1987 (Summer) National Science Foundation Research Experience for Undergraduates Supplement (for Nancy Goss/Sinhalese study)
- 1982 Chancellor's Award for Excellence in Teaching
- 1982 Linguistic Society of America and National Science Foundation Travel Award to Japan.
- 1980-1981 Fellowship Award for research in India. Smithsonian Grant, American Institute of Indian Studies.
- 1979-1988 National Science Foundation. Constraint on Anaphora in Child Language: A Cross-Linguistic Study of 6 Languages. (Series of 3 grants plus supplement)
- 1976 National Institute of Mental Health small grant. Language Acquisition Universals and Coordination in Japanese.

1974-1976 National Institute of Mental Health Postdoctoral Fellowship. Linguistics and Philosophy of Language, Massachusetts Institute of Technology.

### **Cornell University Awards**

2018-2019 Cornell University Podell Award. "Contrasting Language in Prodromal Alzheimer's Disease and in Healthy Aging."

2014-16 Cornell Office of Vice Provost. Online and Distance Learning edX Edge Platform: "Acquiring Multiple Languages: Promises and Challenges"

2014-16 Einaudi Center Seed Grant: "A Cross-Linguistic Study of Young Bilingual Children's Language Development: Korean-English Children's Bilingualism"

2014-2015 Cornell Institute for Social Sciences Award. ISS Director's Discretionary Grant. "Building Community and Capacity in an International Interdisciplinary Digital Age: The Language Sciences"

2010-2011 Bronfenbrenner Life Course Center Seed Grant: Contrasting Language in Early Stage Alzheimer's Disease and in Healthy Elderly: A Pilot Study Supplement. (with J.C. Sherman/MGH and S. Flynn/MIT)

2009-2010 Cornell Institute for the Social Sciences. Contrasting Language in Early Stage Alzheimer's Disease and in Healthy Elderly. Stage Two of a Pilot Study. (co-PI with S. Flynn at MIT, and J.C.Sherman at MGH, Boston).

2008-2009 Cornell Institute for Translational Research on Aging (CITRA): Contrasting Language in Early Stage Alzheimer's Disease and in Healthy Elderly. Pilot study grant. (co-PI with S. Flynn at MIT and J.C.Sherman at MGH, Boston).

2008-2009 Bronfenbrenner Life Course Center Seed Grant: Contrasting Language in Early Stage Alzheimer's Disease and in Healthy Elderly: A Pilot Study. (with J.C. Sherman and S. Flynn)

2007-2008 Einaudi Center Seed Grant: Exploring Activation of an International Component in a virtual center for the study of language acquisition. (with Sujin Yang)

2006-2007 FIT (Faculty Innovation in Teaching) Award. "A VRE (Virtual Research Environment) for Language Acquisition and Cognitive Science. "(with Yarden Kedar)

2003-2005 FABIT (Faculty Innovation in Teaching) Award. "Integrating Digital multimedia resources in two interdisciplinary language development courses" (with Maria Blume)

2001-2005 New York State Hatch Grant. Cornell Language Acquisition Lab: Building an Electronic Library of Words of the World's Children (with Maria Blume)

2001 CISER Award. Building an Interdisciplinary Infrastructure to Foster Collaboration among Research Scientists in the Language Sciences: A Proposal to Create an Instrument-based Virtual Linguistics Laboratory for the International Study of Language Acquisition and Neural Plasticity

2000	Cornell University CHE Award, Web Page Development
1999	Cornell University Distance Learning Award; CHE Technology Award
1998	CHE Technology Award
1997	Fund for Grants in the Humanities. Visiting Professor, India
1995	Cornell CHE Undergraduate Education Fund
1993	Cornell Society for the Humanities. Grant for collaborative research with Indian Scholar, Professor Subbarao (with Professor James Gair).
1987-1989	New York State Hatch Grant for the Study of Young Children's Natural Speech
1985	Women's Development Fund. (Award for purchase of computer lab equipment).
1983	New York State College of Human Ecology. "What Children Know About What They Say" (with Chien).
1979	New York State College of Human Ecology. Studies of Language Development.  New York State College of Human Ecology. Award to construct videotapes of children's language.
1978	New York State College of Human Ecology Award. The Development of Reference and Coreference in Child Language.
1977	New York State College of Human Ecology Award. Language Acquisition Universals. Acquisition of Coordination in Syrian Arabic by Young Damascus Children. Special Projects Fund.
1976	New York State College of Human Ecology Award. Language Acquisition Universals: Pakistani Children's Acquisition of Coordination in Hindi-Urdu. Special Projects Fund.
1976	New York State College of Human Ecology Award. Language Acquisition Universals: Constraints on Children's Use of Pronominalization (in English). Special Projects Fund.
