

Undergraduate Honors Program

Department of Design + Environmental Analysis (D+EA)
College of Human Ecology

Application

The D+EA Honors Program is for D+EA undergraduate students who wish to prepare themselves for future graduate work, and who agree to undertake a specialized independent research investigation under the supervision of a Committee Chair, who is a member of the D+EA faculty.

IMPORTANT: Submission of this Application should occur during the first semester of your Junior year. Registration for DEA 4990 must take place no later than the Fall (or first) semester of your Senior year.
